Baltimore is Enchanted

continued from page 9

Charlotte Amalie, St. Thomas: St. Thomas is known as an idyllic vacation spot today, but in the 18th century, the island was at the center of a bustling pirate culture, as swashbuckling pirates such as Blackbeard and Drake traded stolen wares in the port of Charlotte Amalie. This world-renowned Caribbean island is home to amazing beaches, gorgeous sea and landscapes, and unbelievable duty-free shopping.

San Juan, Puerto Rico: One of the largest islands in the Eastern Caribbean, Puerto Rico's landscape encompasses mountains, underground caves, coral reefs, white-sand beaches, and an incredibly massive rain forest that supplies fresh water to most of the island. At the same time San Juan, the capital of the commonwealth, is a big city with a bustling business district, glitzy resorts, and casinos. It is one of the most stunning examples of colonial life in the Western world.

The Cruise Maryland terminal is just off I-95 and has 1,500 parking spaces so no shuttle is needed.

Tortola, British Virgin Islands: Banana, mango, and palm trees sway in the warm tropical breeze to the tempo of exotic steel drum music. The north side of the island boasts some of the best white-sand beaches in the British Virgin Islands. On the south side, Tortola's rugged mountain roads lead to spectacular views. Rent a bareboat and set sail or grab some SCUBA gear and explore
